DESIGN OF THE INSTITUTION.

The object of this institution is to furnish the sick poor with medical attendance and medicine gratuitously, to diffuse vaccination by unwearied and continuous effort, and to accomplish this work in the most faithful manner, and at the least possible expense.

MEANS OF SUPPORT.

The Dispensary is supported by the income from a fund, derived mainly from the Chicago Relief and Aid Society, of eleven thousand dollars, invested in safe securities; by a small contribution from Rush College, derived from the income of a fund bequeathed for the purpose by the late John Phillips, Esq., and held in trust by the Trustees of the College. The County of Cook, through the Honorable Board of Commissioners, in Consideration of services to the County Poor of the West Division, has contributed \$900.00 for the current year.

Donations will be thankfully received by Dr. Philip Adolphus, Financial Superintendent, No. 638 West Washington Street.

INVITATION TO VISITORS.

All who desire to obtain personal knowledge of the necessity of such an institution, its practical benefit to the sick poor, and its claims on the liberality of our citizens, are invited to visit the Dispensary and judge for themselves.

LOCATION.

The Dispensary is located at the cor. of Harrison and Wood Streets.

Office Hours:—11 to 12 A. M., and 2 to 5 P. M., daily, excepting Sundays.

REPORT.

Nearly a year has elapsed since the DISPENSARY occupied its new quarters in the building of Rush College.

The location is within one-half mile of the geographical centre of the city, and the wisdom of its choice has been fully demonstrated by the experience of the year.

The work of the institution is carried on in entire independence of the College, with which it bears no relation but that of friendly tenant and neighbor. It occupies nearly the whole first floor of the building—a space of nearly 5000 square feet—which is divided into waiting room, anterooms, prescribing rooms, clinic room, and apartments for the apothecary. The whole establishment is furnished and fitted in a very approved manner for the work to be done.

Here from 2 to 4 o'clock P. M., of every day except Sundays and holidays, each of the several prescribing rooms is occupied by one of the attending physicians, who prescribes for all patients coming to his department. Visiting physicians are sent to such of the sick as are unable to visit the rooms of the Dispensary.

Unremitting effort is made to restrict the services of the institution to the sick poor, it being the belief of both the Board and Staff that indiscriminate charity tends to the increase of pauperism and laziness. The poor of West Chicago are attended and furnished with necessary medicines gratis; those able to pay are refused all service of every sort. Doubtless a number of undeserving persons receive treatment from time to time, but it is undesigned by the Staff, while it is surely farthest from the intention of any one to neglect the humblest among the needy class to whose relief it is the vocation of the Dispensary to minister.

Notwithstanding this discrimination the Dispensary has treated 9,307 patients during the past year. Those who have come to the dispensary rooms have made there an aggregate number of 18,740 visits. The visiting physicians have attended many patients at their homes, to whom they have made an aggregate of 4,550 visits. Prescriptions to the number of 26,339 have been compounded.

The branch Dispensary heretofore maintained has been discontinued. The expenses of such an institution as this are necessarily great. But by preventing hundreds of people from becoming dependent upon the public for their support, the CENTRAL FREE DISPENSARY saves to the taxpayers of Cook County, annually, a dozen times the cost of its maintenance.

The income of this corporation, with the most rigid economy, is insufficient for its support. Its expenses in everything are restricted to the plainest needs. The services of its medical staff are wholly gratuitous. It is compelled to ask donations from public-spirited citizens to aid in its work. Last year, notwithstanding a severe financial depression, the citizens of Chicago, as may be seen by reference to another page of this report, responded in a very liberal manner to the appeal of the CENTRAL FREE DISPENSARY for aid. Its friends do not believe the appeals of the present and future will be neglected.
